## **Vision & Mission Statement**

### **Our Vision**

Our Vision is to make lifelong learning, through the experience of U3A, a reality for all third-agers.

### **Our Mission**

Our Mission declares our purpose as an organisation and serves as the standard against which we weigh our actions and decisions. It is to:

- Facilitate the growth of the U3A movement.
- Provide support for management and learning in U3As.
- Raise the profile of the U3A movement.
- Promote the benefits of learning in later life through self-help learning.

### **The Principles of the U3A Movement**

The U3A movement is non-religious and non-political and has three main principles:

#### *The Third Age Principle*

- Membership of a U3A is open to all in their third age, which is defined not by a particular age but by a period in life in which full time employment has ceased.
- Members promote the values of lifelong learning and the positive attributes of belonging to a U3A.
- Members should do all they can to ensure that people wanting to join a U3A can do so.

#### *The Self-help Learning Principle*

- Members form interest groups covering as wide a range of topics and activities as they desire; by the members, for the members.
- No qualifications are sought or offered. Learning is for its own sake, with enjoyment being the prime motive, not qualifications or awards.
- There is no distinction between the learners and the teachers; they are all U3A members.

#### *The Mutual Aid Principle*

- Each U3A is a mutual aid organisation, operationally independent but a member of The Third Age Trust, which requires adherence to the guiding principles of the U3A movement.
- No payments are made to members for services rendered to any U3A.
- Each U3A is self-funded with membership subscriptions and costs kept as low as possible.
- Outside financial assistance should only be sought if it does not imperil the integrity of the U3A movement.
